

Wedding Photography by Sue Daly

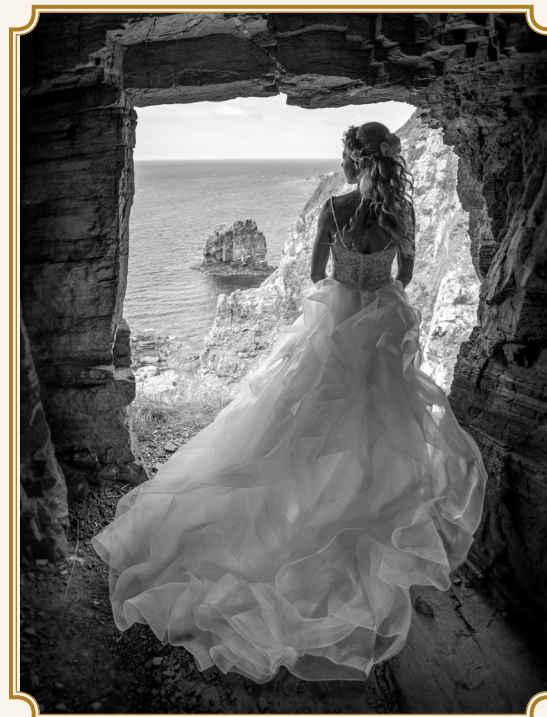

Sue began taking photographs underwater and has won many awards for her natural history images and films. Since moving from Jersey to Sark in 2008 she has greatly expanded her expertise behind the lens and began photographing weddings in 2009. She has also organised more than twenty weddings on Sark and that, combined with her detailed knowledge of Sark's stunning landscape, has given her a unique insight into the needs of couples getting married on the island.

Sue offers three options for wedding photography on Sark, all of which include a meeting beforehand to get to know you and discuss your ideas. She will help you develop a plan so that the magical images you need to remember your special day are captured without letting the photography take over.

Your photographs are delivered in a beautiful, private online gallery that you can share with your friends and family so that they can download and print out whichever images they choose with no extra fees.

The Service & After £695

Sue will capture your guests and yourselves arriving for the ceremony, the service (at any venue on Sark) and as many pictures afterwards as you require before you head off for your reception.

The Service & Reception £995

Sue will be there to photograph everything from the first guests arriving at the venue, the service and formal pictures afterwards through to the speeches, the cutting of the cake and the first dance.

The Whole Day £1,295

Sue will photograph the whole of your special day from the bride and her friends getting ready, the guests arriving and the service to the formal images afterwards, the reception and the first dance.
